- ☀ All Graduated Driver License (GDL) recipients will have the opportunity to receive free of charge a reflective “Novice Driver” magnet for placement on their vehicle for the duration of the GDL period.
- ☀ The DMV believes that it is beneficial for drivers on the road to be aware of a novice driver behind the wheel.
- ☀ The magnets are brightly colored and are made utilizing the industry's leading reflective sign sheeting material, Diamond Grade Cubed (DG3).
- ☀ The magnets provide an additional safety tool for the states most novice drivers and their sponsors.
- ☀ It is expected that when drivers notice these magnets on vehicles that they would slow down and give sufficient room to the driver displaying them.
- ☀ The program is completely voluntary and no GDL holder or sponsor is mandated to utilize this program.
- ☀ These magnets are available at all DMV facilities statewide.
