PROCEDURES FOR PROCESSING A DUPLICATE TITLE

1. MV213 must be completed. Please include the tag number, VIN#, and expiration date of tag.
2. ALL owners must sign the MV213 and provide their driver's license numbers. A copy of the owner's driver's license or other identification showing the owner's signature must be supplied when the title is processed in the mail or by an individual other than a lien holder or dealer.
3. Signature of owner can be signed by a power of attorney. An original NOTARIZED power of attorney must accompany the MV213. Power of attorney must sign the owner's name in addition to his/her own name.
4. If the owner has signed this form and is appointing you to process the request on his/her behalf, you must sign your name and provide your driver's license number in the space provided.
5. If there is a lien, the lien holder must complete one of the sections at the bottom of the MV213.
6. A fee of \$50.00 must accompany the Application for Duplicate Title (MV213).
7. A new lien or any changes to the title cannot be placed on the title at the same time that the duplicate title is issued. The lien is placed as a supplementary title *after the duplicate title is issued*.
8. Changes cannot be made on the duplicate title request such as change name, new tag, title brand, and updated mileage. Other possible fees of \$35.00 title fee without a lien or \$55.00 title fee with a lien or any other processing fees will be applied in addition to the duplicate title fee. All changes/updates must be processed from the duplicate title printed.
9. A **duplicate title does not require mileage** to be disclosed. The duplicate title will print the last recorded title information listed in the system.
10. Please send a self-addressed envelope if requesting by mail.

NOTE: All duplicate requests within 15 days of the last title issue date will require further review before the DMV can issue the duplicate title. Processing time varies depending on the nature of the request.
